IDS Update

Career Exposure Series Nov. 14

Spartan LINKS: Advertising, Design, & Media, Thursday, November 14, 2013, 2:00-8:00pm, Old Town, Lansing.

Tour the most creative businesses in the Lansing area! Each year the Mid-Michigan Creative Alliance welcomes the public to tour their advertising, marketing, and design studios. This is a chance to network with professionals and leave with insight and advice on how to break into these industries.

Confirmed agencies include Ciesa Design, Gravity Works, LCCTV, Message Makers, Pace and Partners, Redhead Design, Rizzi Design, Such Video, and more.

The cost to attend the event is $10. Crawlers can travel on their own, or transportation from campus is available. RSVP to careernetwork.msu.edu and login to MySpartanCareer. Click on the “Events” tab, the “Workshops” tab, and use keyword: Crawl. Questions? Contact Becky Brewer, brewerre@msu.edu

Community Engagement/Study Away in New Orleans

This program is held the first summer session and begins online, continues with field study in and around New Orleans, LA and will wrap up online. The course will discuss leadership for a better world through social change and you will participate with community engagement sites in NOLA. You'll learn skills that will last you a life time! SPARTANS WILL!

- When: Summer 2014-Session One with travel dates May 16 - May 24
- Eligibility: 2.5 minimum GPA, all majors
- Courses: SSC 199 or SSC 490 - a minimum of 3 credits
- Program Fee: $800 (estimate costs)
- Application Deadlines: Rolling admittance, Deadline Jan. 31 as space allows.

Informational meeting is Monday, November 18th at 5:00pm, or Wednesday, November 20th at Noon in 105A Berkey Hall. Phone: (517) 432-4541 or email Erin Smith erin.smith@ssc.msu.edu
Summer research in sustainable energy

Interested in a challenging and fun summer research experience in Sustainable Bioenergy? Kansas State University is now accepting applications for the summer 2014 Research Experience for Undergraduates program May 27 through August 1, 2014. The application deadline is February 15, 2014.

The Kansas State University Center for Sustainable Energy seeks applications for its summer 2014 REU program in sustainable bioenergy funded by the National Science Foundation. Total value of this program is $7,600 per student.

Eligibility: students from all science, agricultural, and engineering majors and class years. Applicants must be American citizens or permanent residents. First-generation college students, members of ethnic minority groups, females in STEM disciplines, and other under-represented groups are especially encouraged to apply. No previous laboratory or research experience is required.
